Admission Process For New Student

Thank you for your interest in Freedom Christian Academy. Whether you are new to the area or a local resident looking for an academic home that better fits your family's needs, we are here to help.

We have created a safe and nurturing environment that will both encourage and equip your student. We want what you want.....a place that brings your child to his/her highest potential as they lead their life honoring the Lord. To accomplish this together, we look for families where at least one parent knows the Lord and is raising their children accordingly.

We emphasize what we believe and those values can be summarized in four words: scholarship, leadership, citizenship, and discipleship. If this is also your heart, will you consider enrolling with us?
