## Admission Process For New Student

---

Thank you for your interest in Freedom Christian Academy. Whether you are new to the area or a local resident looking for an academic home that better fits your family's needs, we are here to help.

We have created a safe and nurturing environment that will both encourage and equip your student. We want what you want...a place that brings your child to his/her highest potential as they lead their life honoring the Lord. To accomplish this together, we look for families where at least one parent knows the Lord and is raising their child or young person accordingly.

We emphasize what we believe, and our values can be summarized in four words: scholarship, leadership, citizenship, and discipleship. If this is also your heart, will you consider enrolling with us?

**Instructions to Parents:** In order to register your child for Freedom Christian Academy in the **2012 - 2013** school year, the items below must be provided. The following is a checklist of office requirements: admission forms can be downloaded or picked up, and then turned in to the Freedom office beginning **February 6, 2012**. If you have any questions, please contact the school office. Again, thank you for taking the time to check us out. May the Lord continue to bless your family as you seek His will.
